

February 17, 1988      LB 103, 1235, 1236

those claims against the state that have either been approved by the Claims Board or already have been paid. The second bill is for the introduction of those claims that have been disallowed or the miscellaneous claims that have come before the Claims Board. We need to introduce these bills so we can hold a public hearing with the Business and Labor Committee. It is something that we do on an annual basis and it will hopefully be a little speedy...more speedy next year if we continue to move the bill that we dealt with yesterday on the claims process along. So it doesn't mean that we are not going to have to introduce these bills late each year, but hopefully there won't be as many claims to process. And with that, I would urge the body's support in moving these bills. Thank you.

PRESIDENT: Any further discussion? If not, the question is the motion to introduce two bills. All those in favor vote aye, opposed nay. We are voting on both of them at the same time and we need 30 votes. Record, Mr. Clerk, please.

CLERK: 30 ayes, 1 nay, Mr. President, on the introduction.

PRESIDENT: The bills are adopted or accepted.

CLERK: Mr. President, new bills. (Read for the first time by title: LB 1235. LB 1236. See pages 845-46 of the Legislative Journal.) That is all that I have, Mr. President.

PRESIDENT: We will move on to General File, LB 103.

CLERK: Mr. President, LB 103 was a bill introduced by Senator Dierks, Senator Rogers, and Senator Schmit. (Read title.) The bill was introduced on January 8 of this year. Mr. President, at that time it was referred to the Agriculture Committee for public hearing. The bill was advanced to General File. I do have committee amendments by the Agriculture Committee. (See page 354 of the Legislative Journal.)

PRESIDENT: Senator Dierks, are you going to handle that?

SENATOR DIERKS: I think that, pardon me, I think Senator Miller is going to handle it.

PRESIDENT: Oh.

SENATOR DIERKS: If he is not, I will.
